

# ELF08 - Robotic Cordless Cleaner

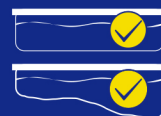

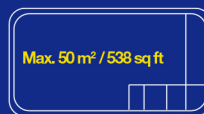

## Product Features :

- Cordless - Completely Safe To Operate
- Diving Auto Start To Smart - Clean The Floor
- Super Transmission Motor
- Lightweight And Easy To Handle
- Long-life Li-ion Battery
- Large Garbage Bin - Easy To Clean

## Specification

Model NO.	ELF08
Battery	22.2V 2200mAh 48.84Wh
Max. Cleaning Area	50m <sup>2</sup> / 538 sq ft
Max. Cleaning Cycle	90min (25°C ambient temperature)
Charging Time	4-6h
Charging Power	13W
Charge Method	Contact Charger
Pump motor type	Brush motor
Filter Precision	0.05-0.07mm
Fault Self Detection	Yes
Diving Auto Start	Yes
Smart Obstacle Avoidance	Yes
Applicable Pool Material	Ceramic tile pool, Steel pool Polymer pool, Resin pool
Max. Pool Depth	6 Meters
Max Gradeability	20°
Max. Advance Speed	12 Meter / Minute
Pool Bottom Clean	Yes
Pool Wall Clean	No
Garbage Bin Capacity	2L
Waterproof Level	IPX8
Working Temperature Range	5°C-35°C (41°F-95°F)
Storage Temperature Range	5°C-45°C (41°F-113°F)
Product Dimension	36.5x32.6x16.8cm
Package size	40x37x22cm
Product N.W.	4.6Kg
Gross weight	5.8Kg

Suitable For Any Inground Pool And Above  
Ground Pool Not Bigger Than 50m<sup>2</sup> / 538 sq ft
